Apera supports the refinancing of Meyra, a portfolio company of H.I.G. Capital

Apera Asset Management ("Apera"), a leading pan-European mid-market private debt investor, is delighted to announce the successful arrangement of bespoke debt facilities for the refinancing of Meyra Group GmbH ("Meyra" or the "Company"), a portfolio company of funds advised by H.I.G. Capital L.L.C. ("H.I.G.").

Founded in 1936, Meyra is a leading international provider of mobility and rehabilitation aids, designing, manufacturing and distributing active, e-powered, comfort and paediatric wheelchairs. Continuous dialogue with users, clinicians, therapists and specialist medical retailers enables Meyra to develop innovative and customised mobility solutions, which are sold in more than 70 countries. Headquartered in Porta Westfalica, Germany, the Company also operates production, assembly and distribution sites in Poland, Norway, Denmark and China.

Apera has provided a tailored financing solution for Meyra which will support the Company in further strengthening and expanding its position within a highly attractive and growing market segment.

Philipp Kalveram, Principal at H.I.G., said: "We greatly value Apera's swift execution and constructive, partnership-driven dialogue and look forward to continuing our excellent cooperation to further grow and develop Meyra as a leading international provider of world-class medical mobility solutions."

Eva Halbritter, Partner at Apera, said: "We are delighted to continue our relationship with H.I.G. on this transaction and to support Meyra as it advances its growth strategy. The management team has built a truly innovative product portfolio and established Meyra as one of the leading brands in the European wheelchair market, and we are keen to contribute to Meyra's ongoing success."
